

St. Vincent de Paul School

Annual Fund

Annual Report January 2014

The Annual Fund Campaign was established in 2010. The sole purpose of the campaign is to provide need-based tuition assistance to parish families attending St. Vincent de Paul School, now and in the future. We believe that every parish family that desires a first class Catholic education for their children should be provided the opportunity to attend our Parish school, regardless of financial need.

- What is the Annual Fund?

The Annual Fund is a yearly fundraising campaign designed to meet the current and future needs of our parish families. Up to 50% of all contributions to the Annual fund will be directed to the Principal's Tuition Assistance Fund in order to meet current tuition assistance needs. The balance (at least 50%) will be directed to the permanent Endowment Fund to meet future tuition assistance needs.

- What about the Endowment?

Although the Endowment will someday provide a stream of tuition assistance revenue, the value of the endowment has not reached the \$1,000,000 in endowed funds required before it can be drawn upon. This means there is currently no tuition assistance provided by the Endowment. The Annual Fund will bridge this gap by continuing to build the Endowment while simultaneously addressing current tuition assistance needs.

The philanthropic support of St. Vincent's current and past parents, alumni, grandparents, faculty, staff, friends, and the overall St. Vincent de Paul community is essential for the school to continue its mission of educating the whole child through a loving, supportive environment, high academic standards, and traditional Catholic values. We ask you to join us in supporting Catholic education at St. Vincent's. Please make a commitment today.

Thank you to all Annual Fund donors!
