Reading

and

Math

Challenge

Earn awards for either or  
both!

## Summer Math Challenge (For Grades 1-7)

It's easy to participate:

1. Log-on to IXL  
<http://www.ixl.com/signin/vincentdepaul>
2. Click on your 2013-2014 grade level.
3. Practice skills you have not yet practiced (at the grade level you just finished)
4. Record what skills you have practiced on the record sheet.

Certificates will be given to all students who practice some math.

The special award will be given to students who complete the challenge.

The Challenge:

Get a SmartScore of at least 80 on 100 NEW skills at your 2013-2014 grade level.

\*Participation for the challenge will be recorded electronically to receive the special award.

## Summer Reading Challenge

It's easy to participate:

1. READ! READ! READ!
2. Primary: Keep track of every 20 minutes you read on the Summer Reading Calendar.

Intermediate: Keep track of the books you read on the Summer Reading Log (be sure to include a summary).

Certificates will be given to all students who submit a calendar. A special award will be given to students who complete the Reading Challenge.

The Challenge:

**Primary: You need to read EVERY DAY (including weekends) to complete the Reading Challenge (1480 minutes). If you miss a day, just read double the next day.**

**Intermediate: You need to read 1000 pages to meet the Reading Challenge.**
