

St. Vincent de Paul School

June 7, 2017
Most Holy Trinity

Dear Families,

I'm not usually one to count down to the last day of school, so it's hard to believe that next Wednesday is the last day of 2016-17! It has been a wonderful year! We have much to be thankful for here at St. Vincent's. Parents, thank you for all you do for your children and our school!

Report Cards

Report cards will be sent home the week of June 19th. All accounts (tuition, fundraising, service time, and stewardship) should be current/cleared prior to the last day of school so cards are not delayed.

Garden Team

Please continue to weed your garden areas over the summer. If you are unable to take care of your space, please let me know so it can be reassigned. Thank you for making our grounds look beautiful! Look for the Garden Team sign-up in September if you would like to join the team again next year.

Stanford Redbird Math Program

The Stanford Redbird Math program is designed around skill-specific lessons to help students build understanding through multiple forms of instruction and then apply their knowledge to practice items, games and word problems. Throughout the course, students are introduced to STEM themes and careers, making connections between the mathematics they are learning and authentic real-world applications. We are excited to offer this program for our students!

Next year, we will have a morning session (T, W, Th 7:50-8:20 am) and an afternoon session (T, W, Th 3-3:30). Both sessions are open to students in grades 1-8. The Stanford Redbird Math Program sign-up form is on page 2. The sessions are filled on a first come, first serve basis and usually fill up quickly.

Drama Troupe

I hope you had a chance to see the Drama Troupe's production of The Wizard of Oz! Thanks to Mrs. McCarl, Mr. Donovan, Mrs. Rickard, and students for a fantastic play!

Keep our 8th graders in your prayers as they graduate tomorrow.
St. Vincent de Paul, pray for us,
With my love and prayers,
Wanda
